

2021 Post-Secondary Open House Schedule

Due to the current COVID-19 pandemic, most post-secondary institutions will be hosting **Virtual Open Houses** this year.

Pre-registration is required for these events.

Please look at the following links in the table and pre-register for the Open Houses at the post-secondary institutions that you're interested in. If I missed an institution, please check online.

Many of the post-secondary institutions have *Virtual Tours*, you can also *Book an In-person Tour*, and you can register for a *Student for a Day* with some of them.

If you haven't set up your Apply Alberta account, and you need assistance, please come see me during Block D, after school, or during lunch. Just contact me and we can set up a time that's convenient for both of us.

Thanks,

Mrs. Laue

Time to Choose Your Post-Secondary Education

If you're having difficulty with career planning, Alberta Education's [Time to Choose Your Post-Secondary Education](#) provides a comprehensive online resource for students planning for post-secondary. It includes interest and ability inventories for choosing a career area focus, information on various post-secondary institutions and apprenticeship programs, job trends, salaries, scholarships and more.

Here is another website that will help you plan for post-secondary or a career.
